Pioneer Trading is an Australian business involved in the manufacture and distribution of aluminium extruded products for commercial, residential and industrial applications.

Established in 2000 as a small family owned business, Pioneer Trading has developed into a highly respected and reputable business in the aluminium industry.

The VIC distribution centre is at Sunshine West. Pioneer Trading operates its business through two distinct marketing arms to its fabricator and reseller customers being direct from the mill or via the Australian distribution warehouses.

70 North View Drive Sunshine West VIC 3020
